Subject: Revised Parking Policy and Slot Allocation Guidelines

To All Members,

This circular is issued to inform all residents about the new parking rules that have been approved by the Managing Committee and are hereby notified for strict compliance.

Detailed Explanation:

The society has 192 parking slots for 275 flats. Due to increasing complaints about unauthorized parking and space shortage, the committee has revised the parking policy. This policy aims to ensure fair allocation and systematic management of limited parking resources.

The new parking rules have been formulated after consultation with 21 resident representatives and legal advisors. These rules are binding on all residents, tenants, and their guests.

Applicable Rules:

1. One parking slot per flat as per original allotment deed
2. Second parking available on rental basis - ₹1,500 per month
3. Guest parking limited to 6 hours - overstay fine ₹500
4. No parking in fire lane - violators will be towed
5. Visitor vehicles must display dashboard pass
6. Two-wheeler parking only in designated zones

Effective Date: 04 June 2025

Penalty for Non-Compliance:

First Violation: Written warning

Second Violation: Fine of ₹2000

Repeated Violations: Matter referred to Managing Committee for further action

Implementation:

- All residents must acknowledge receipt of this circular
- Tenants to be informed by flat owners
- Copy displayed on all notice boards
- Soft copy available on society app/website

For any clarifications, please contact the society office during working hours (10:00 AM to 1:00 PM and 4:00 PM to 7:00 PM).

As per Animal Welfare Board of India (AWBI) guidelines and judgment of the Honorable Supreme Court, the society cannot ban pets. However, to ensure harmonious coexistence and address concerns of non-pet owners, the following registration and conduct guidelines are being implemented.

Currently, approximately 71 pet dogs and 11 cats reside in our society. Proper registration will help maintain records and ensure responsible pet ownership.

Applicable Rules:

1. All pet dogs and cats must be registered with society office
2. Annual vaccination certificate to be submitted
3. Pets must be on leash (max 6 feet) in common areas
4. Pet waste must be cleaned immediately by owners
5. Aggressive pets must be muzzled in public areas
6. Lift usage allowed but give preference to seniors

Effective Date: 05 November 2027

Penalty for Non-Compliance:

First Violation: Written warning

Second Violation: Fine of ₹1000

Repeated Violations: Matter referred to Managing Committee for further action

Implementation:

- All residents must acknowledge receipt of this circular
- Tenants to be informed by flat owners
- Copy displayed on all notice boards
- Soft copy available on society app/website

Detailed Explanation:

As of February 2026, the society has outstanding dues of ₹744,548 from 26 defaulting members. This affects the society's ability to maintain essential services and undertake repairs.

The committee has exhausted all informal reminders and is now compelled to take legal action. Members are urged to clear pending dues immediately to avoid legal complications and damage to their credit record.

Applicable Rules:

1. Maintenance due by 10th of every month
2. Late payment interest: 18% per annum after 15th
3. Defaulters beyond 60 days barred from amenities
4. Legal notice after 90 days non-payment
5. Names of chronic defaulters displayed on notice board

6. Society can initiate recovery under Section 101 of MCS Act

Effective Date: 03 March 2026

Penalty for Non-Compliance:

First Violation: Written warning

Second Violation: Fine of ₹500

Repeated Violations: Matter referred to Managing Committee for further action

Implementation:

- All residents must acknowledge receipt of this circular
- Tenants to be informed by flat owners
- Copy displayed on all notice boards
- Soft copy available on society app/website

Subject: Water Conservation Initiative - Usage Guidelines

To All Members,

This circular is issued to inform all residents about the water conservation measures that have been approved by the Managing Committee and are hereby notified for strict compliance.

Detailed Explanation:

The society's daily water consumption has increased to 78576 liters. With depleting groundwater levels and erratic municipal supply, water conservation is no longer optional but essential.

The society has installed flow meters and leak detection systems. Residents consuming excessive water (above 722 liters per day per flat) will be identified and counseled.

Applicable Rules:

1. Car washing limited to two buckets - no hose pipes
2. Washing timings: 6:00 AM to 10:00 AM only
3. Report leaking taps and pipes immediately
4. Rainwater harvesting system installed - cooperation required
5. Overhead tank cleaning every 3 months
6. Penalty for water wastage: ₹1,000 per incident

Effective Date: 17 October 2025

Penalty for Non-Compliance:

First Violation: Written warning

Second Violation: Fine of ₹2000

Repeated Violations: Matter referred to Managing Committee for further action

Subject: Mandatory Registration of Pets and Animal Welfare Guidelines

To All Members,

This circular is issued to inform all residents about the pet registration requirement that have been approved by the Managing Committee and are hereby notified for strict compliance.

Detailed Explanation:

As per Animal Welfare Board of India (AWBI) guidelines and judgment of the Honorable Supreme Court, the society cannot ban pets. However, to ensure harmonious coexistence and address concerns of non-pet owners, the following registration and conduct guidelines are being implemented.

Currently, approximately 42 pet dogs and 25 cats reside in our society. Proper registration will help maintain records and ensure responsible pet ownership.

Applicable Rules:

1. All pet dogs and cats must be registered with society office
2. Annual vaccination certificate to be submitted
3. Pets must be on leash (max 6 feet) in common areas
4. Pet waste must be cleaned immediately by owners
5. Aggressive pets must be muzzled in public areas
6. Lift usage allowed but give preference to seniors

Effective Date: 04 May 2026

Penalty for Non-Compliance:

First Violation: Written warning

Second Violation: Fine of ₹1000

Repeated Violations: Matter referred to Managing Committee for further action

Implementation:

- All residents must acknowledge receipt of this circular
- Tenants to be informed by flat owners
- Copy displayed on all notice boards
- Soft copy available on society app/website

To All Members,

This circular is issued to inform all residents about the pet registration requirement that have been approved by the Managing Committee and are hereby notified for strict compliance.

Detailed Explanation:

As per Animal Welfare Board of India (AWBI) guidelines and judgment of the Honorable Supreme Court, the society cannot ban pets. However, to ensure harmonious coexistence and address concerns of non-pet owners, the following registration and conduct guidelines are being implemented.

Currently, approximately 75 pet dogs and 22 cats reside in our society. Proper registration will help maintain records and ensure responsible pet ownership.

Applicable Rules:

1. All pet dogs and cats must be registered with society office
2. Annual vaccination certificate to be submitted
3. Pets must be on leash (max 6 feet) in common areas
4. Pet waste must be cleaned immediately by owners
5. Aggressive pets must be muzzled in public areas
6. Lift usage allowed but give preference to seniors

Effective Date: 12 November 2024

Penalty for Non-Compliance:

First Violation: Written warning

Second Violation: Fine of ₹2000

Repeated Violations: Matter referred to Managing Committee for further action

Implementation:

- All residents must acknowledge receipt of this circular

To All Members,

This circular is issued to inform all residents about the water conservation measures that have been approved by the Managing Committee and are hereby notified for strict compliance.

Detailed Explanation:

The society's daily water consumption has increased to 47566 liters. With depleting groundwater levels and erratic municipal supply, water conservation is no longer optional but essential.

The society has installed flow meters and leak detection systems. Residents consuming excessive water (above 760 liters per day per flat) will be identified and counseled.

Applicable Rules:

1. Car washing limited to two buckets - no hose pipes
2. Washing timings: 6:00 AM to 10:00 AM only
3. Report leaking taps and pipes immediately
4. Rainwater harvesting system installed - cooperation required
5. Overhead tank cleaning every 3 months
6. Penalty for water wastage: ₹1,000 per incident

Effective Date: 21 May 2027

Penalty for Non-Compliance:

First Violation: Written warning

Second Violation: Fine of ₹5000

Repeated Violations: Matter referred to Managing Committee for further action

Implementation:

- All residents must acknowledge receipt of this circular
- Tenants to be informed by flat owners
- Copy displayed on all notice boards
- Soft copy available on society app/website

For any clarifications, please contact the society office during working hours (10:00 AM to 1:00 PM and 4:00 PM to 7:00 PM).
